

Village of Bath

Sidewalk Replacement Program

Application 2020-2021

Name of Property Owner _____

Property Owner's phone number _____

Property Owner's address _____

Address of Sidewalk Project _____

Linear feet of walk to be replaced _____

Width (in feet) of sidewalk to be replaced _____

To participate in this program, the property owner must use the village's contractor. The low bid was awarded to Machuga Contracting of Bath, NY. The bid price for sidewalk replacement is \$3.25 per square foot. The property owner must pay the contractor directly for their services. The Village of Bath will be responsible for sidewalk installation prep work and all materials, as long as funds are available.

The Village of Bath is not responsible for the deterioration of new sidewalk due to the use of ice control products.

I acknowledge I have read and accepted all specifications set forth by the Village of Bath and agree to use the contractor approved by the Village of Bath. The property owner promises to indemnify the Village of Bath from any claim, demand, or cause of action arising out of, or relating to, the replacement of said sidewalk.
